

Please plan to attend

St. Mary's County Commission on the Environment's, Green Building Committee

Green Building Networking Meeting

1st Wednesday of the Month from 7:30AM – 9:00AM

Join us for coffee, juice and a light breakfast to...

Network with others who are
'Going Green'

Discuss the latest 'Green *HOT*
TOPICS'

Listen to experts in the field share
their green building knowledge

Learn about residential and
commercial green rating
systems

Participate in advocacy
groups to promote green
building in Southern Maryland

Provide feedback to our
elected officials about what
incentives and support would
help you 'Go Green'

Leave the meeting inspired to
share this new knowledge
with others

Southern Maryland Higher Education Center
44219 Airport Road, California, MD 20619

Look for signs directing you to the meeting space.

Feel free to bring a friend – this event is free and open to the public!
We welcome citizens from the *Southern Maryland Region... and beyond!*

For additional information or to RSVP, please contact:
